# TIMELINE

**1933**  
Gold Confiscation

**1974**  
Gold trades freely,  
listed futures on  
COMEX.

**28 March 2003**  
The first gold ETF actually  
launched was Gold Bullion  
Securities on the Australian  
Securities Exchange

**1944 to 1971**  
Bretton Woods agreement. Under the agreement, other currencies were pegged to the value of the US dollar, which, in turn, was pegged to the price of gold. The Bretton Woods System effectively came to an end in the early 1970s, when President Richard M. Nixon announced that the US would no longer exchange gold for US currency.

**1976**  
Dillon Gage  
established.

**Today**  
Digital Gold:  
the new world  
order of gold  
ownership

# OBJECTIVE

“This is a great way to acquire gold, at a great price, over time, I will be watching for my price to trigger.”

“Now I’ve got a physical gold savings account in real time!”

A COST-EFFECTIVE  
METHOD OF  
PURCHASING GOLD

“Can buy tiny amounts if you want to. Low markup.”

“Low cost way to add gold for my retirement.”

“I have been waiting for an affordable vault option.”

“What a great way to invest in gold. Competitive pricing, no shipping costs, no storage fees, and completely liquid. DGGOLD is as simple as investing gets.”
