

# ASIA PACIFIC PRECIOUS METALS CONFERENCE

---

4-6 JUNE 2017, GRAND COPTHORNE, SINGAPORE

## Network Effect, Accessibility and Convenience for Trading Physical Gold, Silver and Platinum

Brian Lan  
Managing Director  
GoldSilver Central Pte. Ltd.

# PRESENTATION DISCLAIMER

1. The information presented in this seminar are of a general nature and may not apply to every situation or to your own personal circumstances. This seminar should not be regarded as a substitute for seeking professional and/or legal advice on any specific issue.
2. All expressions of opinion are subject to change without notice.
3. Although information in this document has been obtained from sources believed to be reliable, GOLDSILVER CENTRAL do not warrant the accuracy or completeness and accept no liability for any direct or consequential losses arising from its use.
4. Past performance is no guarantee of future returns.
5. There is a degree of financial risk when trading in financial markets. It is possible to lose money that is invested in these markets. The methods and techniques provided in this seminar may be profitable or they may result in a loss. All examples, opinions, analyses and information provided are based on sources believed to be reliable and presented in good faith.
6. As a general-information based seminar, nothing in our marketing collaterals should be construed as a solicitation to buy or sell any precious metals or any precious metals related instrument.
7. Professionals or other appropriate advice should be sought before acting on any information contained in this seminar aid.

- Brian Lan is the Managing Director of GoldSilver Central Pte. Ltd. and a member of the company's Board of Directors.
- Together with the Board of Directors, he manages GoldSilver Central's global business development, operational infrastructure and sales.
- As the managing director, Brian plays an integral part in introducing pioneering precious metals solutions catered to demographics from all walks of life. Some recent ideas brought to life includes GSC Live!, the first spot physical deliverable precious metals trading platform built on MetaTrader 4 and the GSC Savings Accumulation Program based on the Dollar Cost Averaging Model.

Merging the endless possibilities of MetaTrader 4 with Physical Gold, Silver and Platinum into one mighty platform.

- Powerful Platform with highly customizable features
- Physically Deliverable Contracts
- 24/5 access to prices for buying and selling
- Buy and sell limits for physical precious metals

## Leveraging on the power of the Network Effect

- Developed on MetaTrader4
- Advanced leading online trading platform
- Investors can apply charting & analytical features & strategies to their investments.
- Millions of traders familiar with how MetaTrader 4 works.
- Works on different mobile platforms and operating systems
- Do not need to reinvent the wheel

## Able to create contracts in home currencies

- GSC's very own physical deliverable trading platform where corporations & individuals can buy physical metals online in SGD or USD or any other currencies.
- Track Gold, Silver and Platinum prices in preferred currencies and in different denominations (Kilo, 100oz, 1oz, etc)

Divisible into 0.1 oz contracts

- Physical bars become divisible with GSC Live!
- Leave buy or sell orders and it is executed automatically
- Small Contracts of 1/10oz for Gold and Platinum and 5oz for Silver available for customers to purchase and accumulate.
- Take physical delivery in any of our GSC Vault Network

## Enhancing the Accessibility and Convenience for Trading Physical Precious Metals

- GSC Live! easily accessible via mobile or desktop applications.
- Allows trading of physical precious metals including Platinum at real-time spot prices.
- Low Entry Levels and Narrow Spreads
- 1/10oz for Gold and Platinum, 5oz for Silver
