

DIVING INTO THAILAND'S GOLD MARKET

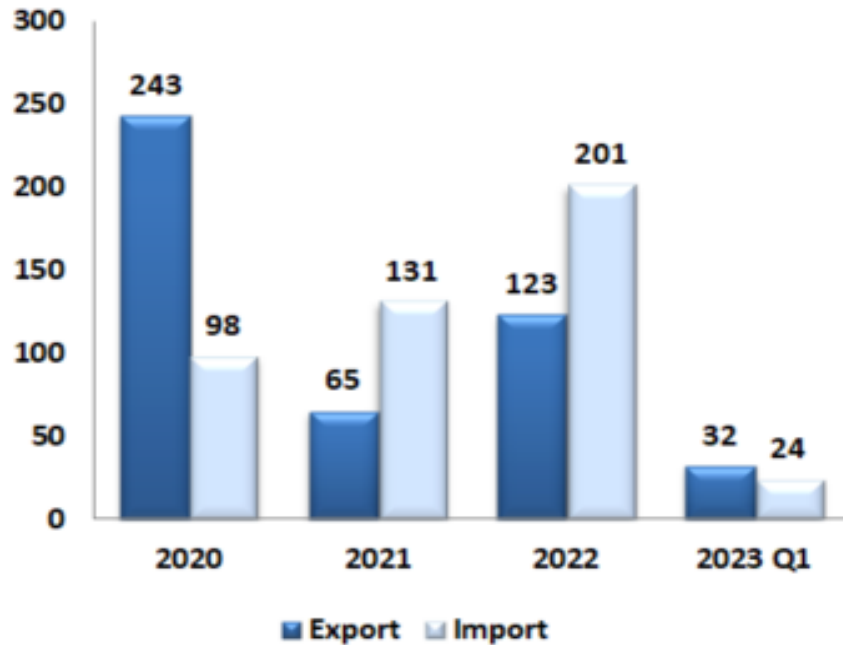

Mr. Nuttapong (Golf) Hirunyasiri

Managing Director of MTS Gold Group

June 05, 2023

Dynamics of Thailand Gold (2020 – 2023)

**Gold Export and Import Statistics of Thailand
 2020 - 2023(Q1) Quantity in Tonnes**

Sources: Thai Customs Department

In 2020, highest export quantity 243 tonnes

In 2022, highest import quantity 201 tonnes

SPOTLIGHT

- **2020** - The rapid increase in gold prices led to a significant sell-off of gold by investors
- **2021** - Gold price fluctuates based on global markets and domestic factors (political and the strength of Thai baht)
- **2022** - Investors look to gold as a hedge against inflation, which increased buying demand
- **2023** - Thai gold price (Purity 96.5%) has reached an all-time high of 32,965 baht in May.
